6. Of information and belief, at all times prior to filing, the subject matter of U.S. Patent No. 5,892,819 was maintained as Siemens confidential information and not available to the public.

7. I am the sole named inventor of the invention titled NETWORK REDIRECTION CONTROL ROUTING, which, of information and belief, was assigned U.S. Patent Application Serial No. 09/086,294, and a filing date of May 28, 1998 (the present invention). A copy of the declaration is attached as Exhibit C.

8. Of information and belief, at all times prior to filing, the present invention was maintained as Siemens confidential information and not available to the public.

9. All statements made of my knowledge are true. All statements made of information and belief are believed true. I acknowledge that willful false statements and the like are punishable by fine or imprisonment, or both, and may jeopardize the validity of the application or any patent issuing thereon.

Signed: 

Peggy M. Stumer
